

Cargo size is no problem for Nautica Logistics

Fully integrated global cargo transportation intermediary

Exim News Service

THANE, April 23

NAUTICA Logistics Pvt. Ltd, a fully integrated cargo transportation intermediary, offers a wide range of cargo services to facilitate international trade on behalf of its customers.

The Nautica group has opened a joint venture company in India called Nautica Logistics Pvt. Ltd, under the leadership of Mr Devanand Bhanage, General Manager of the India region.

Nautica Logistics services industries and international business communities with shipping-related services ranging from container shipping, forwarding, transportation of heavy and/or break-bulk equipments, entire production plants worldwide, warehousing, sea-air freight, consolidation, cargo insurance, Customs brokerage, door-to-door delivery services, heavy lift transportation and special project handling.

The Nautica group has an extensive network of partners/agents established worldwide which enhances its services. As a result, it is able to coordinate, plan, arrange and control the timely shipments of materials, equipments and project cargo from various worldwide sources to the construction sites, supply bases and other locations as assigned.

Nautica provides new transport and logistics concepts to match market conditions in the transport sector. In line with the company's continuous efforts to serve customers better, its aim is to develop new logistics ideas.

The company takes immense pride in the trust its customers have reposed with it in the handling of their shipping and logistics needs. It is confident that Nautica, as an international transportation intermediary, will provide quality and reliable services to all cargo entrusted to its care. It treats the customer's cargo shipments as if they were its own.

The Nautica group recently handled the first largest EPS Shape Moulding Machine in the world manufactured by Mane Electricals, of Bhosari, Pune, specially designed for National Plastic Factory of the Al-Hosni Group in Fujairah, UAE.

The machine was handled at the Container Corporation of India's (CONCOR) inland container depot (ICD)-Chinchwad, near Pune.

Nautica has thanked Mr Sachin Bhanushali, Senior General Manager, ICD-Chinchwad, Mr Venkatesh of ICD-Chinchwad and, from Customs, Mr A. D. Petkar, Assistant Commissioner of Customs, and Mr G. S. Date, Superintendent of Customs at the ICD, for facilitating the smooth and efficient handling of this project consignment.

Mane Electricals is the only company in India exporting EPS machinery to more than 20 countries in the face of stiff competition from China, Korea, Germany and Taiwan.

Mr R.M. Mane, Chairman and Managing Director (CMD) of the Mane Group of Companies, was the proud recipient of two Entrepreneurship Awards from Mr Sharad Pawar, Union Minister for Agriculture and the Governor of Maharashtra, Mr S.M. Krishna.

Nautica Logistics has branches/associates at ports and inland container depots (ICDs) across the country.
